DEPARTMENT OF STATE

[Public Notice 2563]

Privacy Act of 1974; Altered System of Records

Notice is hereby given that the Department of State proposes to alter an existing system of records, STATE-44, pursuant to the provisions of the Privacy Act of 1974, as amended (5 U.S.C. 552a(r)), and the Office of Management and Budget Circular No. A-130, Appendix I. The Department's report was filed with the Office of Management and Budget on June 17, 1997.

It is proposed that the current system will retain the name "Congressional Travel Records." However, revisions and/or additions are proposed to the security classification; authorities; categories of individuals and records covered by the system; routine uses; storing, retrieving, and safeguarding practices; retention and disposal requirements; system manager and address; notification procedure; record access and amendment procedures; and record source categories. These changes to the existing system description are proposed in order to reflect more accurately the Bureau of Legislative Affairs' record-keeping system, and a reorganization of activities and operations.

Any persons interested in commenting on the altered system of records may do so by submitting comments in writing to Kenneth F. Rossman; Acting Chief, Programs and Policies Division, Office of Information Resources Management Programs and Services, Room 1239, Department of State, 2201 C Street, NW, Washington, DC 20520-1239. This system of records will be effective 40 days from the date of publication, unless we receive comments which will result in a contrary determination.

The altered system description, "Congressional Travel Records, STATE-44" will read as set forth below.
